Agenda

Assessment/Committee Chairs

9/27/2007
12:00 PM to 12:50 PM
Bienville 251

Agenda topics

10 Student Affairs Ed Adams

Discussion:

Would like grad student support for data entry issues. Vicki Crist is working on developing a new database for student information. Currently evaluating a substance/alcohol abuse online program for its value to the College.

10 Ethics Committee Blair Wilbert

Discussion:

Can provide summary data including # charges brought before committee, nature of charges, corrective actions taken.

10 Experiential Education Connie Smith

Discussion:

Currently has access to summary data on student/preceptor performance and the learning experience. Also has site visit info, preceptor training documentation, reviews of preceptor background, community Pharmacy requirements, service learning. Student portfolios are in development.

10	Faculty Development	Emily Evans
Discussion:		
Currently preparing a faculty development needs survey. Committee will design developmental opportunities based upon these results.		
10	Admissions Committee	Hilary Tice
Discussion:		
Committee interested in reviewing predictors of success, tracking admissions decisions, reviewing the interview process, possible examination of Calif. Critical thinking exam results, implementation of PharmAssess when available.
