

**Pharmacy Student Senate  
Meeting Minutes  
January 28, 2009**

**Budget:**

- Approximately \$1900

**Spring Event:**

- Sara is in charge of the Spring Event, and committees have been made.
- Crawfish boil, games, music are the current ideas.
- We need fundraising and sponsorship ideas.
- Main objective is to get the tickets as cheap as possible so that students and faculty will come to the event.
- Goal is \$5.00 per 5 pounds of crawfish.
- Local sponsorships need to be gotten as soon as possible to get estimates of funding
- We will charge alumni \$10 per ticket, and this amount will be put in the golf brochure.
- The alumni can reserve tickets when they reserve a place for the golf tournament.

**Food and drinks committee**

- We would like to have a caterer to deal with food – we need someone in charge of drinks and regulating everything – alcohol is not allowed – perhaps have hotdogs as an alternative – need 4 people for this committee

**Sponsorships Committee**

- each of us is responsible for getting a golf hole sponsorship and \$25 will come back to us for each sponsorship– also need to contact the local independent pharmacies and get local sponsoring from them – this will be a separate committee – need 3 people – each golf hole sponsorship is \$150 – the business will get their name put on a hole – might be possible to tier the sponsorships and the sponsor can get certain benefits with increasing sponsorships

**Games Committee**

- need about 2-3 people for this committee – involved in organizing the games available

**T-shirts Committee**

- need 1 person

**Other Business:**

- Jassoni brought up the issue of scheduling tests after the annual APhA convention. It is possible that a request will be written to the faculty requesting that no tests are scheduled the week after the APhA convention.

**Fund Raisers:**

- Operation Diabetes will be delivering flowers for a local florist the week of Valentine's Day.
- APhA will be selling fleeces as a fundraiser.

**Next Meeting:**

- The next meeting will be February 9, 2009 (Monday).
