

**Pharmacy Student Senate
Meeting Minutes
February 9, 2009**

Spring Event:

- **Crawfish:**
 - CVS will be purchasing the crawfish for the Spring Event.
 - We need to set a limit for purchase of crawfish tickets: 2 tickets/person
 - We may be able to find someone to cater for approximately \$3.00 per pound.
- **Tent/Tables/Chairs:**
 - Coy thinks the school may be able to pay for these. (In case of inclement weather).
 - Jassoni thinks the school may have a tent. He will also try and get lights with the tent.
- **Games:**
 - Dunk booth might be difficult to arrange.
 - Coy will make a big target in the field, and we will hold a chipping contest. Entry fee is a \$1.00 and prize will be given. There will also be a putting contest for the same entry fee with a prize.
- **Door Prizes:**
 - Large organizations might be able to donate money, and we can purchase door prizes with the money.
 - We will also try to get merchandise donations.
- **Money:**
 - We cannot afford to pay for extra crawfish because we would not make a profit selling it for \$5.00 per pound.
 - We need sponsorships, preferably money or door prizes. We need to contact the independent local pharmacists about donations or sponsorships.
- **Whiffleball Game:**
 - We might do this before the event starts.
 - Approximately 5:30 p.m.
 - We might need to purchase some cans of mosquito repellent.
 - We will bring fans.
- **Drinks:** We might see if we can get canned drinks donated by local grocery stores.
- We might need to find some water-free soap for washing your hands after you eat crawfish.
- Sarah will talk to Mrs. Caldwell about the alumni.
- **Next Meeting:** March 2, 2009

School Issues (To be discussed at a later date)

- Students surfing the web in class
 - Coy might suggest that the administration block certain websites on the server.
- Policy for moving a test after the test schedule has been sent out.
