

# ULM INTRAMURALS COVID GUIDELINES

1. **All sign ups must be done on IMleagues prior to the event**
2. Intramural Staff will have their temperature checked upon entry into the facility
3. Intramural Staff will check everyone's temperature upon entry into the facility. There will be separate gates for entry and exit.
4. Parents, coaches, players, and umpires should wait in their vehicles until 15 minutes prior to game time, ONLY on-field warm-up will be permitted. All parents, coaches, players and umpires should exit facility immediately at the conclusion of play. When there is more than one game on a field please wait in your vehicle until facility is cleared of prior teams.
5. No group huddles between teams will be permitted on the field. Encourage physical distancing between teams in effect beyond the field of play. NO handshakes at the end of the game teams may line up on the base line and tip their hats to the other team.
6. All members of a team will be permitted in the dugout during a game. All teams shall clean their dugout of all trash and other items after each game.
7. Intramural Staff will spray disinfectant, (clean) hard surfaces such as benches and bleachers, between games.
8. All restroom facilities must be cleaned and sanitized every two hours while in use. Must ensure hand washing anti-bacterial soap and hand sanitizer is available.
9. These guidelines are subject to change based on policies set forth by Governor John Bel Edwards, the Louisiana Department of Health, and the University Of Louisiana system.

## **FACE COVERING PROTOCOLS**

1. **EVERYONE** attending games, practice, events, etc. **MUST** wear a protective face covering if proper social distancing cannot be maintained.
2. Players must wear a protective face covering while in the dugout if proper social distancing cannot be maintained.
3. Players who are entered into the game and playing on defense or offense will not have to wear a protective face covering.
4. ALL coaches and umpires must wear a protective face covering at all times before, during, and after a game if proper social distancing cannot be maintained.
5. All participants of a captain's meeting, which is conducted in an enclosed area, must wear a protective face covering during that meeting. If meetings are conducted outside, protective face coverings will only be required if attendees cannot maintain proper social distancing.
